

Child Friendly Safeguarding Policy

What is Safeguarding?

- All the adults around you think that your health, safety and welfare are very important
- At our school, we respect all children and adults, and help to protect their rights

How does Manley Park Primary School work to keep you safe?

- We provide a safe environment for you to learn
- Staff at our school know how to keep you and your friends safe, at home as well as school
- It is important for you to know where to get help if you are worried or unhappy about something.
- We teach you how to keep you, and others, safe. And to recognise risks in different situations. Our lessons include, health eating, e-safety, road safety and assemblies.
